DETAILED ACTION

1. Claims 34-128 have been added.
2. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 19-29, 51-61 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 19 recites the limitation "said parties" in line 3. There is insufficient antecedent basis for this limitation in the claim.

Art Unit: 3629

The claims that depend from the above are rejected for the same reason.

Claims 51-61 create a hybrid system/method claim which recites the limitation of a step of processing which has insufficient antecedent basis.

Allowable Subject Matter

4. Claims 1-18, 30-50, 62-128 are allowable.

5. As per Claim 1.

The prior art of record, specifically, VanName et al or Bezos et al in view of Baron, Hudson, Wolf or Webcertificate, do not disclose or fairly teach receiving a request to send a blind gift or processing said request to send said blind gift, enabling said blind gift to be sent...while said non-pseudonymous name of one of said parties to another of the parties is not revealed, according to the request.

The Claims that depend from the above allowable claims are allowable for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
